 After the incredible success of their last song "In Love Again (Radio Edit)", Chancy Squire are now launching their next coup - with a rousing song whose straight beats cleverly wrap up the topic of the inability to have a relationship. In "HEART THAT'S NEVER HOME", the band describes a guy who is incapable of having a relationship. After just a short time together, he breaks away again - restless, helpless and lost. And his girl, who wants to keep him, is left alone as further proof of his failure.

How incapable of relationships are you? It's great if you're able to maintain a relationship in the long term. But ... can you? Who wants a heart that's never home ...

### Enthusiastic reactions from curators (excerpt):

*@boulimiquedemusique* „A gently catchy folk-rock song with a flair for pop. The melodic aspect of this luminous track is particularly captivating. The vocal performance, in which male and female voices give each other a perfect send-off, lends a noticeable dynamism to this gently catchy track. All this is enhanced by the vibrantly colored animations in the clip.”

*Music Victory* “Hey guys, thanks for getting back to me! Awesome song! I really enjoyed it and Heart That’s Never Home will find its place on the Folk playlist, excellent work 🍷! Take care and see you around, MV“

*Dreamy Paradise* “It is a satisfying track. It’s the type of sound I go gaga over, and with "Heart That’s Never Home," Chancy Squire has perfected it. The entire track is awash with smooth atmospheric guitars, providing a wonderfully refreshing soundscape in an era dominated by hard hitting beats.”

### More about Chancy Squire:

CHANCY SQUIRE is liked for standing up for a better world with catchy melodies and philosophical lyrics, as the band symbol of Pegasus clearly shows! Short, concise, polyphonic New Country-Folk-Pop-Rocksongs, exclusively self-composed, inspire the ever-growing, worldwide fan base. Even back then - when the wall had long since eclipsed freedom - the band had the song very successfully in their LIVE program on the stages of Hamburg's most famous clubs, e.g. in the legendary "Onkel Pö (Onkel Pö's Carnegie Hall), in the Logo, in the Knust, etc.
